Please let us know if you need anything to support you getting your child/children into school.

Essential Experiences

We want to make sure that children who attend Eastborough Academy have access to a wide range of exciting and enriching 'essential experiences.'

We feel strongly that when children access these experiences, they develop more than just academically. Children also grow their social skills, their ability to make connections and their personal development flourishes. Very soon, children in Class 6 are offered the opportunity to attend Dallowgill Outdoor Education Centre on residential.

Children in EYFS, will have the experience to meet birds of prey as part of their Owl Babies topic.

Look out for experiences for our other classes very soon
