

Update from the Head

Gosh! Hasn't it turned cold this week?

It is really important, given the change in temperature, that children are attending school with winter essentials. A coat is an everyday necessity now. If you are having any difficulty at all with obtaining a coat for your children, please let one of us know and we will be pleased to help you.

Thank you for the great uptake in places for our Forest School after school club. I know many children are hoping to attend. Please rest assured that we will offer out the club again on a termly basis so that lots of children have the opportunity to attend if they weren't able to obtain a place this time. Simon also delivers afternoon sessions in Class 4 this half term and this will change on a half termly basis so that lots of children can benefit from his knowledge and skills.

Good to be green

Our Rules

We have three key rules which help us demonstrate that we know how to behave. They are:

- Be safe
- Be responsible
- Be respectful

Our academy motto is...
'Be the best you can be.'

When children are behaving this way, they are choosing to be 'green'.

Children choosing to follow the rules receive dojo points, stickers, certificates and rewards

Our Behaviour Policy

How should we behave and why?
We should behave in a respectful and appropriate way. This means we should be friendly and kind to everyone. We should take pride in our learning and try hard to make the right choices, always do our best to respect ourselves, each other and our learning environment. We call this 'green behaviour'.
Our behaviour expectations are BE SAFE, BE RESPECTFUL, BE RESPONSIBLE.

Rewards
We can achieve rewards for following the behaviour expectations and displaying positive learning behaviours.
Rewards can be: dojo points, being chosen for achievement assembly, stickers, certificates, prizes and being invited to special events.

What happens if we don't make the right choice?
We have a reminder - You will be reminded of our three school rules and expectations.

C1 - If you choose not to follow the expectations, you will lose 5 minutes of your playtime.
C2 - Because you have not corrected your behaviour, you will lose 15 minutes of your playtime.
C3 - If you are still making the wrong choice, you will be asked to leave the classroom and work in another class for the rest of the lesson.
C4 - You will have a lunchtime detention with Mrs Merrick or Mrs Micklethwaite to reflect on your behaviour. They will contact your parents and ask them to come in for a meeting.
C5 - You will have to work out of class, in isolation, or you may be suspended.
After each consequence, we will always discuss how we can repair the behaviour. We will always support you to make the right choices.

Who has had a 'green' week?

Below are the number of children in each class who have remained 'green' all week.

Nursery	Reception	Class 1	Class 2	Class 3	Class 4	Class 5	Class 6
15/15	29/30	27/27	27/30	24/25	28/28	25/25	29/29

Evergreen

At the end of every week, children who have remained 'green' are rewarded with a short weekly evergreen reward. This could be an extended break time, a game in the classroom or hall or some 'free time' to enjoy with other evergreen children.

At the end of every half term, children who have remained consistently 'green' are invited to our whole academy Evergreen reward. This half term, we will be welcoming Dave from 'Box 2 b Fit' into the academy. Children will participate in Fitness circuits to music!

Forest School Club

During parents evening, you told us you'd like to see more after school clubs offering a greater range of experiences and opportunities.

We agree with you and have heard you.

So, every Thursday, Simon from Elite Kids joins us to deliver Forest School sessions. He provides a dinner time club, two afternoon sessions and an after schools club.

Children learn key skills and have the opportunity to develop their communication and problem solving in the great outdoors.

This half term its the turn of Class 4!
